Product discontinuation

Dear Customer,

We want to notify that further production of

SAP Material no.	SAP Material Title
301960005	CMV300-4E7C1WP QA
301970005	CMV300-4E7M1WP QA

cannot be supported any longer.

Reason is that raw material will be discontinued and the total demand has declined to such a level that an economic production can no longer be warranted.

A comparison table with successors under development can be found in the appendix. Please contact our Sales & Marketing Team for more information.

To make the phase out as convenient as possible for you, we are pleased to offer the following conditions:

- Last possible order placement: **August 19, 2020**
- Last possible shipment: **December 31, 2021**

Product	MOQ
CMV300-4E7C1WP QA	100 pcs
CMV300-4E7M1WP QA	100 pcs

The quantity which will be shipped will be confirmed after order placement.

Due to possible yield variances, a quantity deviation of +/- 10% has to be accepted by the customer for the last time buy.

We advise you to contact our Sales & Marketing team to review on a potential replacement product.
