Product discontinuation

Dear Customer,

We want to notify that further production of

“NE2D_RGB_FOV90F6.0_NB_2m FT SE” (ordering code: 301170022)

“NE2D_RGB_FOV90_F6.0_SGA FT SE” (ordering code: 301190005)

cannot be supported any longer.

Reason is that the underlying technology is nearing its end of life and the total demand has declined to such a level that an economic production can no longer be warranted. We therefore ask for your kind cooperation in phasing out of this product. To make the phase out as convenient as possible for you, we are able to offer a last time buy:

- Last possible order placement: September 19th, 2019
- Last shipment: March 19th, 2020

Due to possible yield variances, a quantity deviation of +/- 10 % has to be accepted by the customer for the last time buy.

As a replacement we can offer the following product going forward:

“NE2D_RGB_FOV90F6.0_2m FT SE” (ordering code: 301170006)

We advise you to contact our Sales & Marketing team to review the potential replacement product.

For any further questions, please feel free to contact our customer support team at any time.

Best regards,

A handwritten signature in black ink, appearing to read 'Peter Crabbe', with a stylized flourish at the end.
