Product discontinuation

Dear Customer,

We want to notify that further production of the products listed on the following page shall not be supported any longer. The corresponding replacement products, if applicable, are listed in the column "Replacement Parts".

Due to the low demand, economic production shall no longer be warranted and they have therefore been selected for end of life. Our aim is to focus on key parts in order to improve production and stocking efficiencies for ams and our customers. We ask for your kind cooperation in phasing out of this product. To make the phase-out as convenient as possible for you, we are able to offer the last time buy:

- Last possible order placement: September 30th, 2019
- Last shipment: December 31st, 2019

Due to possible yield variances, a quantity deviation of +/- 10 % has to be accepted by the customer for the last time buy.

We recommend that you contact our Sales & Marketing team to review the potential replacement products.

For any further questions, please feel free to contact our customer support team at any time.

Best regards,

A handwritten signature in black ink, appearing to read 'Peter Crabbe', with a stylized flourish at the end.

Peter Crabbe
