Product discontinuation

Dear Customer,

We herewith notify you that further production of

“NE2D_B&W_FOV160_F2.4_2m FT SE” (**ordering code: 301170055**)

cannot be supported any longer.

Reason is that the underlying technology is nearing its end of life and the total demand has declined to such a level that an economic production can no longer be warranted.

Please be informed that the discontinuation of the product will be implemented with immediate effect.

We advise you to contact our Sales & Marketing team to review the potential replacement products.

For any further questions, please feel free to contact ams team at any time.

Best regards,
