Product discontinuation

Dear Customer,

We want to notify that further production of the products listed on the following pages cannot be supported any longer. The corresponding replacement products are listed in the column "Replacement Parts".

Reason is that the underlying technology is nearing its end of life and the total demand has declined to such a level that an economic production can no longer be warranted. Please be informed that the discontinuation of the product will be implemented with immediate effect.

We advise you to contact our Sales & Marketing team to review the potential replacement products.

For any further questions, please feel free to contact our customer support team at any time.

Best regards,
