PCN48-2022 – Introduction of automatic Die and Lens sorting machine

Dear Customer,

In order to ensure the continuous improvement of the NanEye2D supply chain and the capacity throughput at our assembly sub-contractor Focuz Manufacturing Co, LTD, ams-OSRAM AG in partnership with Focuz, will qualify and release a new automatic Die and Lens sorter machine.

ams-OSRAM AG will assure that the new machine delivers the same output results as the one currently in the production line.

Implementation Schedule

The implementation date is planned for Q4/2022.

Please be advised that unless ams OSRAM receive your written refusal concerning this change notification within 30 days, the change notification shall be deemed accepted.

If you do have further questions, please do not hesitate to contact ams OSRAM team at any time.

Best regards,
