## PCN48A-2022 – Introduction of automatic Die and Lens sorting machine

**Dear Customer,**

In order to ensure the continuous improvement of the NanEye2D supply chain and the capacity throughput at our assembly sub-contractor Focuz Manufacturing Co, LTD, ams-OSRAM AG in partnership with Focuz, will qualify and release a new automatic Die and Lens sorter machine.

ams-OSRAM AG will assure that the new machine delivers the same output results as the one currently in the production line.

### Implementation Schedule

The implementation date is planned for Q4/2022.

### The following products will be affected

Material Part Number	Material Description
301170084	NE2D_RGB_FOV120_F2.8_0.87m_BSClv1.3 FTSE
302630003	NE2D_RGB_FOV120_F2.8_2.4mCH FT SE

Please note that ams OSRAM will respect the 120 days notification period in case customer needs it. To avoid any disruptions in the supply, ams requires your approval as soon as possible. The latest date that we need your approval is October 11, 2022.

If you do have further questions, please do not hesitate to contact ams OSRAM team at any time.

Best regards,

Peter Crabbe
