**PCN88-2021 – New Finetech machine for NanEye 2D**

Dear Customer,

In order to ensure the continuous improvement of the NanEye2D supply chain and the capacity throughput at our assembly sub-contractor Focuz Manufacturing Co, LTD, ams AG in partnership with Focuz, will qualify and release a new Finetech machine.

ams AG have assured that the new machine delivers the same output results as the one currently in the production line.

**Implementation Plan**

ams AG plans to implement this change as soon as we receive customer approval.

**The following products will be affected**

Material Part Number	Material Description
301170084	NE2D_RGB_FOV120_F2.8_0.87m_BSCiv1.3 FTSE
302630003	NE2D_RGB_FOV120_F2.8_2.4mCH FT SE

Please note that ams will respect the 120 days notification period in case Boston Scientific needs it. To avoid any disruptions in the supply, ams requires your approval as soon as possible. The latest date that we need your approval is February 23, 2022.

If you do have further questions, please do not hesitate to contact ams team at any time.

Best regards,
