**PCN34A-2022 – New cable cutting machine for NanEye**

Dear Customer,

In order to ensure the continuous improvement of the NanEye supply chain and the capacity throughput at our assembly sub-contractor Focuz Manufacturing Co, LTD, ams-OSRAM AG in partnership with Focuz, will qualify and release a semi-automatic cable cutting machine.

ams-OSRAM AG have assured that the form, fit and function of the cable remains the same.

**Implementation Plan**

ams-OSRAM AG plans to implement this change as soon as we receive customer approval.

**The following products will be affected**

Material Part Number	Material Description
301170084	NE2D_RGB_FOV120_F2.8_0.87m_BSClv1.3 FTSE
302630003	NE2D_RGB_FOV120_F2.8_2.4mCH FT SE

Please note that ams OSRAM will respect the 120 days notification period in case customer needs it. To avoid any disruptions in the supply, ams OSRAM requires your approval as soon as possible. The latest date that we need your approval is August 8, 2022.

If you do have further questions, please do not hesitate to contact ams OSRAM team at any time.

Best regards,

Peter Crabbe
