End of Life Notification

Dear Customer,

This is to inform you that ams AG will discontinue production of the following product:

ams Part Name	ams Part Description
EWAX-02	PMSILplus - IR vcsel flood illuminator

We will of course continue to support existing orders and would like to give you the opportunity to place your final lifetime buy orders no later than January 31, 2022. Last shipment will be completed by the July 31, 2022.

For future designs requiring a vcsel flood illuminator, please consider the product V105Q131A-940 for industrial applications. For more information regarding this devices, please contact your local ams field sales representative or distributor.

We apologize for any inconvenience this may cause and hope that one of our other devices will fit into your application. Our application team will be pleased to support you in evaluating available options.

Kind regards
