Product discontinuation

Dear Customer,

Although product lifetime and delivery period at ams AG are longer than at many other suppliers in the semiconductors industry we are sorry to announce that further production of

AS3977B-BQFS

AS3977B-BQFT

AS3977B-BQFM

cannot be supported any longer.

Reason for that is that the total demand for products has declined to such a level that an economic production can no longer be warranted. We therefore ask for your kind cooperation in the phasing out of the product.
