## End of Life Notification

Dear Customer,

This is to inform that ams AG will discontinue the production of TSL2581CS.

We will, of course, continue to support already placed orders and would like to give you the possibility to place your last time buy orders until end of May 2017. Last shipment will be done in October 2017.

We are sorry for any inconvenience this may cause to you and hope that one of our other devices will fit into your application. Our application team will be pleased to support you in evaluating the situation.

Kind regards
