Subject: End of Life Notification

Dear customer,

This is to inform that ams AG will discontinue the production of all devices listed on page 2 of this notification. Reason for that is that the CMOS process node will no longer be supported in ams Fab.

We will of course continue to support already placed orders and would like to give you the possibility to place your last time buy orders until June 2019. Last shipment will be done by the end of December 2019.

We are sorry for any inconvenience this may cause to you and hope that one of our other devices will fit into your application. Our application team will be pleased to support you in evaluating the situation.

Kind regards

A handwritten signature in blue ink that reads 'Helmut Pessl'.

Helmut Pessl
Director Operations
Division Advanced Opto Sensors
