Product discontinuation (AS1116 - all versions)

Dear Customer,

This is to inform that ams AG will discontinue the following product:

<u>product</u>	<u>product description</u>	<u>material ID</u>
AS1116-BSST	AS1116-BSST QSOP24 LF T&R	180230031
AS1116-BSST	AS1116-BSST QSOP24 LF T&R	180230033
AS1116-BQFT	AS1116-BQFT TQFN24 LF T&R	180230023
AS1116-BQFT	AS1116-BQFT TQFN24 LF T&R	180230012

Reason for that is that the total demand for these products has declined to such a level that an economic production can no longer be warranted. We therefore ask for your kind cooperation in the phasing out of the product. To make the phase out as convenient as possible for you we are pleased to offer the following conditions:

- Last possible order placement: July 31, 2019
- Last shipment: Dezember 30, 2019
- Minimum Order Quantity: 405.000 pcs

Due to possible yield variances a quantity deviation of +/- 10% has to be accepted by the customer for the last time buy.

We are sorry for any inconvenience this may cause to you.

For any further questions please feel free to contact me.

Best regards,

Dr Dietmar Gleispach
ams AG
Director Operations Division EAS
