## End of Life Notification

Dear Customer,

This is to inform that ams Sensors Germany GmbH will discontinue the production of all components listed on page 2 of this notification.

We are of course supporting already placed orders and want to give you the possibility to place your last time buy orders until end of June 2018. Last shipment will be done in December 2018.

We are sorry for any inconvenience this may cause to you and hope that one of our other components will fit into your application. A first recommendation do you find in the sheet on page 2. Our sales team will be pleased to support you in evaluating the situation.

Please confirm the receipt of this notification and send us your response. Many thanks in advance.

Kind regards,
