Product discontinuation

(AS5035/AS5163/AS5263/AS5011/AS3931/AS8506C/AS8515/AS8530)

Dear Customer,

Although product lifetime and delivery period at ams AG are longer than at many other suppliers in the semiconductors industry we are sorry to announce that further production of products listed on page 2 cannot be supported any longer.

Reason for that is that the total demand for these products has declined to such a level that an economic production can no longer be warranted. We therefore ask for your kind cooperation in the phasing out of the product. To make the phase out as convenient as possible for you, we are pleased to offer the following conditions:

- Last possible order placement: Dec.31, 2017
- Last shipment: June 30, 2018

LTB orders to be placed in multiples of packing units.

As multiple customers are ordering these devices the respective order quantities will be coordinated by ams AG. Thank you very much for your understanding.

For any further questions please feel free to contact me.

Best regards,

A handwritten signature in black ink, appearing to read 'D. Gleispach'.

Dr Dietmar Gleispach
ams AG
Director Operations Division EAS
