Product discontinuation

Dear Customer,

Although product lifetime and delivery period at ams AG are longer than at many other suppliers in the semiconductors industry we are sorry to announce that further production of

“AS5046”

<u>material ID</u>	<u>Material Description</u>
176060024/0028	AS5046 SSOP16 LF T&RDP
176060025	AS5046 SSOP16 LF TUBDP

cannot be supported any longer.

Reason for that is that the total demand for products has declined to such a level that an economic production can no longer be warranted. We therefore ask for your kind cooperation in the phasing out of the product. To make the phase out as convenient as possible for you, we are pleased to offer the following conditions:

- Last possible order placement: June 30, 2018
 - Last shipment: December 31, 2018
 - Minimum order quantity: 1 production lot or multiples thereof
- Due to possible yield variances a quantity deviation of +/- 10% has to be accepted by the customer for the last time buy. For details please refer to below table.

Product	Minimum Order Quantity
AS5046	54.000 pcs
